

## NAFSA 年次総会に野上専務理事が出席

平成 23 年 6 月 6 日(月)

5 月 29 日(日)から 6 月 3 日(金)まで NAFSA(北米地区国際交流協議会)年次総会がカナダ・バンクーバーで開催され、うち 6 月 1 日(水)には、「Japan's Response to the March 11 Earthquake and Tsunami and Fukushima Accident」と題した日本特別セッションが開催されました。

このセッションは、JAFSA(国際教育交流協議会)の働きかけにより実現したもので、震災後の日本留学に対する政府や大学の取組をオールジャパンで紹介するものです。当日は、文部科学省からの報告に続き、国立大学協会の野上専務理事が、被災地域の国立大学の状況や国大協による震災後の取組、今後の国立大学の貢献などについて説明を行いました。特に、国立大学が今回の震災を教訓にして、教育研究活動を最大限の努力をしながら推進していくことなどが述べられました。

セッションは早朝だったにもかかわらず 160 人を超す聴衆が詰めかけ、日本の震災からの復興に対する関心の高さを伺わせました。

国立大学協会では、今後、国立大学における外国人留学生、研究者の受入れや国際交流活動の一層の推進について、機会をとらえて発信していきたいと考えています。

報告する野上専務理事と熱心に耳を傾ける聴衆

# Toward restoration and revitalization of Japanese Universities

Senior Managing Director,  
Tomoyuki Nogami, PhD

The Japan Association of National Universities

## ● Regular Members (86 national universities)

## ● Special Members (4 organizations)

National Institutes for the Humanities,  
National Institutes of Natural Sciences,  
High Energy Accelerator Research Organization,  
Research Organization of Information and Systems

### *Nation of Knowledge*

#### **Tohoku Branch (7 universities)**

Hiroaki University, Iwate University,  
Tohoku University,  
Miyagi University of Education,  
Akita University, Yamagata University,  
Fukushima University

#### **Tokyo Branch (12 universities)**

The University of Tokyo, Tokyo Medical and Dental University,  
Tokyo University of Foreign Studies, Tokyo Gakugei University,  
Tokyo University of Agriculture and Technology,  
Tokyo University of the Arts, Tokyo Institute of Technology,  
Tokyo University of Marine Science and Technology,  
Ochanomizu University, The University of Electro-Communications,  
Hitotsubashi University, National Graduate Institute for Policy Studies

#### **Kanto-Koshin'etsu Branch (14 universities)**

Ibaraki University, University of Tsukuba,  
Tsukuba University of Technology, Utsunomiya University,  
Gunma University, Saitama University, Chiba University,  
Yokohama National University,  
The Graduate University for Advanced Studies,  
Niigata University, Nagasaki University of Technology,  
Joetsu University of Education,  
University of Yamanashi, Shinshu University

#### **Tokai-Hokuriku Branch (12 universities)**

University of Toyama, Kanazawa University,  
Japan Advanced Institute of  
Science and Technology,  
University of Fukui, Gifu University,  
Shizuoka University,  
Hamamatsu University School of Medicine,  
Nagoya University,  
Aichi University of Education,  
Nagoya Institute of Technology,  
Toyoashi University of Technology,  
Mie University

#### **Hokkaido Branch (7 universities)**

Hokkaido University,  
Hokkaido University of Education,  
Muroran Institute of Technology,  
Otaru University of Commerce,  
Obihiro University of Agriculture &  
Veterinary Medicine,  
Asahikawa Medical University,  
Kitami Institute of Technology

#### **Kinki Branch (13 universities)**

Shiga University,  
Shiga University of Medical Science,  
Kyoto University,  
Kyoto University of Education,  
Kyoto Institute of Technology,  
Osaka University,  
Osaka Kyokai University,  
Hyogo University of Teacher Education,  
Kobe University,

*All classes in the spring terms  
have already started.*

# What has done so far since March 11?

## ◎ Arrangement of supportive activities (in cooperation with non-affected national universities.)

- *send supplies (water, foods, medicines, commodities)*
- *flexible procedure of entrance exam.*
- *medical assistance at affected area*
- *temporary use library, research space, internet (at non-affected universities.)*
- *temporary acceptance of affected researchers and students*
- *encourage volunteer activities*
- *job hunting for affected senior students*

**To contribute restoration  
and revitalization for  
affected universities**

Send supplies

Volunteer activities

Medical assistance

# Informative information from N. Univ.

# What will N. Univ. and do next?

© All national universities are making an all-out effort to restore and revitalize affected area

- *restructure of local medical system based on N. Univ. hospitals*
- *involve in recovery program as an adviser*
- *deeply analyze and study Great East Japan Earthquake*
- *research and develop new type of energy, eco-town, energy reduction and etc. making much use of ST of N. Univ.*

© JANU will provide management and academic support for national universities activities regarding restoration and revitalization of affected areas and Japan.

# Strengthen international function

© Strengthen function of N. Univ. as an international center

- *accept more international students and researchers*
- *accept and nurture promising youths from developing countries*
- *activate international activities*
- *create exchange programs including double degree*
- *expand international networking*
- *disseminate more information to the world*

© JANU will soon draw up recommendations on the enhancement of national universities' functions including international function.

# Toward restoration and revitalization

*Disaster reduction as well as disaster prevention is the critical issue for not only Japan but also in the current international society.*

*Japanese national universities will promote the educational and research activities about the potential abilities of humankind with maximum effort as a lesson of the hardship caused by the earthquake.*

*In addition, we really wish to share those knowledge and experiences with youths and academics in the world.*

# Thank you for your cooperation.
