(Note)

*[1] Student application forms should be collected by their home institutions, and then sent to together to UMAP International Secretariat via email. The detail of the procedure will be announced in Middle of February 2017.

*[2] UMAP IS sets two cutoff dates depending upon the deadline of host university's programs. When you fill in "Outline of Proposal for Program C", please select either Schedule 1 or Schedule 2 for placement which is appropriate for your programs.

*[3] Regarding UMAP SSTP Scholarship, we will provide it to limited number of participant this year.   The number of recipients per country/territory will be announced after the UMAP Board meeting which will be held between late April and early in May.

And please keep in mind that recipients of the Scholarship will receive the grant at the last moment of each program from host universities.   UMAP IS will send scholarship to host universities, and host universities will give the scholarship to recipients once they submit "UMAP's study report" which will be provided by UMAP IS to host universities later.   For the detail of Scholarship we will announce in March.
